AUDITION PROCESS

The exercises provided are essential for a successful percussionist. Every musical passage should be carefully learned at any given tempo with a variation of heights for the musician. This will help the performer understand the exercise at a higher level. Every percussion section should be ready to play any of these to demonstrate their skillset and abilities to the staff.

Please prepare and expect to perform this music.
AUCTION LOCATION - Percussion Blockhouse
Directions to Percussion Blockhouse: From the University Drive and Rural Road intersection travel north on Rural Road. Take a right, going east, on E 6th Street toward the Verde Dickey Dome. Take an immediate left, going north again, once in the 59E parking lot. Follow the road as it travels north and then east again, soon opening up with a larger parking area on your right hand side. The Percussion Blockhouse will be on the south side of the parking lot.

TECHNIQUE
Details about technique are to be taken with the thought in mind that everyone has slightly different hand sizes, shapes and musculature. There is a vast amount of information about our craft as percussionists that simply cannot, and will not, be written because the nature of percussion is not one derived from text. Learning the details and minutia of what will be expected of you, as a Sun Devil Percussionist, will be grounded in your experiences with the staff and your ability to respond to that experience.

Our approach is a relaxed approach with the goal of efficiency.

Our battery uses a rudimental/drum corps approach and the snares play with traditional grip.

Our front ensemble is expected to be able to play both two mallet as well as four-mallet Steven’s grip.

EQUIPMENT
Please bring sticks or mallets to the corresponding instrument that you will audition on. We will provide snares, quads, bass drums, cymbals and keyboards.

All percussionists, should bring athletic clothes and water. Arizona is hot and we will be outside the majority of the time if not all the time. The battery will be marching for part of the audition process.

Arizona State University uses Majestic Front Ensemble, Mapex Drums, Randall May International Carriers and Stands, Remo Drumheads, Vic Firth Sticks and Mallets, and Zildjian Cymbals.

AUDITION AND MEMBERSHIP FEES
There is a $20 audition fee.

Upon acceptance, there is an instrument fee of $200 for new members or $150 for returning members.
